- a) These students are basically degree holders in [B.Sc. with Chemistry/Applied Chemistry/ Industrial Chemistry/ Bio-Chemistry](#) as one of subject [B. Tech. in Bio-Technology/ Chemical Engineering/ Bio-Chemical Engineering](#) and are pursuing [Post Graduate Diploma Course in Industrial Fermentation and Alcohol Technology](#).
- b) They shall be available to join their duties after 2<sup>nd</sup> week of “December 2021”.
- c) They already have at least four months of experience in a Commercial Distillery.
- d) They may have other qualifications and other experience which may be seen from their individual resume.
- e) They, if given chance may handle the shifts individually.
- f) Having in-depth subject knowledge backed by one season practical experience in reputed distilleries they shall be asset for any organization.

**4. Post Graduate Diploma in Industrial Instrumentation and Process Automation [DIIPA]:**

- a) These students are basically degree holders in [Electronics & Instrumentation/ Electronics/ Instrumentation/ Electrical & Electronics/ Applied Electronics & Instrumentation/ Electronics & Communication/ Instrumentation & Control](#) and are pursuing [Post Graduate Diploma Course in Industrial Instrumentation and Process Automation](#).
- b) They are available to join their duties with immediate effect.
- c) They shall have at least four months of experience in a Commercial Sugar Factory.
- d) They may have other qualifications and other experience which may be seen from their individual resume.
- e) Having in-depth subject knowledge backed by one season practical experience in reputed sugar factories/distilleries they shall be asset for any organization.

**5. Post Graduate Diploma in Sugarcane Productivity and Maturity Management [DSPMM]:**

- a) These students are basically [B.Sc./ B.Sc. Agriculture](#) and are pursuing [Post Graduate Diploma Course in Sugarcane Productivity and Maturity Management](#).
- b) They shall be available to join their duties with immediate effect.
- c) They shall have at least four months of experience in a Commercial Sugar Factory.
- d) They may have other qualifications and other experience which may be seen from their individual resume.
- e) Having in-depth subject knowledge backed by one season practical experience in reputed sugar factories they shall be asset for any organization.

**6. Post Graduate Diploma in Quality Control and Environment Science [DQCES]:**

- a) These students are basically degree holders in **B.Sc. with Physics, Chemistry, Maths or Zoology, Botany, Chemistry/ B.Sc. with Environment Science/ Bio-Technology or B.Tech. in Bio-Technology** and are pursuing **Post Graduate Diploma Course in Quality Control and Environment Science**.
- b) They shall be available to join their duties Nov-2021.
- c) They shall have at least four months of experience in a Commercial Sugar Factory/ Distillery.
- d) They may have other qualifications and other experience which may be seen from their individual resume.
- e) Having in-depth subject knowledge backed by one season practical experience in reputed sugar factories/distilleries they shall be asset for any organization.

**7. Sugar Boiling Certificate Course [SBCC]:**

- a) These students are basically **Matriculate/ High School with Science/ Agriculture** and are pursuing **Sugar Boiling Certificate Course**.
- b) They shall be available to join their duties after 2<sup>nd</sup> week of “Nov’2021”.
- c) They already have one season experience of pan-operation in a Commercial Sugar Factory.
- d) They may have other qualifications and other experience which may be seen from their individual resume.
- e) Having in-depth subject knowledge backed by one season practical experience in reputed sugar factories they shall be asset for any organization.

**8. Sugar Engineering Certificate Course [SECC]:**

- a) These students are basically **Diploma in Mechanical/ Production/ Electrical/ Electrical & Electronics Engineering** and are pursuing **Sugar Engineering Certificate Course**.
- b) They shall be available to join their duties after 2<sup>nd</sup> week of “December 2021”.
- c) They already have at least four months of experience in a Commercial Sugar Factory.
- d) They may have other qualifications and other experience which may be seen from their individual resume.
- e) Having in-depth subject knowledge backed by one season practical experience in reputed sugar factories they shall be asset for any organization.

**9. Certificate Course in Quality Control [CCQC]:**

- a) These students are basically **12<sup>th</sup> Standard in Science (Physics, Chemistry and mathematics)** and are pursuing **Certificate Course in Quality Control**.
- b) They shall be available to join their duties after 1<sup>st</sup> week of “December 2021”.
- c) They may have other qualifications and other experience which may be seen from their individual resume.
- d) Having in-depth subject knowledge backed by practical experience in experimental sugar factory they shall be asset for any organization.

The institute recommends placement of these pass out students in your units and hope that you will definitely give a chance to them. The list of students with their credentials if required will be mailed. Any query on the matter will be replied.

Yours faithfully,

**(D. Swain)**  
Professor of Sugar Engineering.  
and Placement Officer  
**+91 5122988828**

**Note:** Please get the attached form filled up and sent to us as per your requirement.

**NATIONAL SUGAR INSTITUTE, KANPUR**

**Campus Placement Format - 2021**

Information disclosed to students

- (1) Name of Organization/ Company: \_\_\_\_\_
- (2) Home Page and mail id: \_\_\_\_\_

- (3) Recruiting for (Tick / shade in **black** one or more as suitable)

- Sugar Technology       Sugar Engineering       Alcohol Technology
- Instrumentation       Environmental Science       Agriculture
- Pan boiling       Quality control       SECC

Other (Specify): \_\_\_\_\_

- (4) Required Skills

- (5) Compensation package:

	Pay definition, CTC / Gross	Pay amount (INR)	Other benefits
Certificate			
PG Diploma			

- (6) Bond or service contract if any: No  Yes (Details):

- (7) Components of Selection process (Tick / shade in **black** one or more as suitable):

- Short listing from resume       Ranking
- Aptitude test       Technical test
- Group Discussion       Group activity
- Others (Details):

Additional documents like Brochures / Fliers / Posters may also be sent for the benefit of the students.
