

ONE DAY WORKSHOP / VIEWS SHARING SESSION ON DRAFT CHARTER FOR SUGAR FACTORIES IN RIVER GANGA BASIN

OBJECTIVE

To protect our environment, sugar factories situated in River Ganga Basin have been directed by CPCB to have strict compliance to achieve standards as formulated and notified by CPCB in January 2016. Keeping in view the varying configuration of the sugar factories with respect to type of sugar produced, stand alone or sugar factories integrated with power export, a Charter has been proposed to be prepared by a committee constituted by CPCB under the Chairmanship of Director, National Sugar Institute Kanpur.

A draft Charter has been prepared and already circulated among the members of the committee for their comments and is available on our website <http://www.nsi.gov.in>. In this regards, a workshop/ views sharing session has been organized at National Sugar Institute Kanpur on 23rd March 2018. All stakeholders e.g. sugar factories/ sugar related Institution and Associations are requested to register to participate and share their views /experiences in finalizing the Charter.
